**Text: I PETER 4:10-11**

## Discussion Questions

1. What is meant by the term “stewardship?”
2. Describe our ministry to others as a stewardship?
3. What is the purpose of our stewardship?
4. In what ways can we be good stewards in ministry?
5. What is my specific gift or gifts and how am I using them in ministry?
6. How did this message motivate me to be a better steward of my gifts?
7. In what way can I make a contribution to our church with my spiritual gifts (be as specific as possible)?
