2. Why is Zechariah included in the Canon of Scripture? What role does it play in the grand scheme of God's plan for this world? What role does it play in God's plan for Israel? What role does it play in God's plan for the church?
3. What is the significance of the names mentioned in the introduction?
4. What instructions given in the introduction ring true throughout human history (refer to Ps 33)?

6. What is the significance of the crown in chapter 6? Who is this crown given to and how does this encourage believers today?
7. What is the relationship between repentance, judgment, and blessing described in chapters 7 & 8 of Zechariah? What areas in your life are you hiding instead of confessing and forsaking? Could the blessing of God be withheld from you because of unrepentant sin or lack of obedience to God's commands in your life?
