

Joshua & The Battle of Jericho

Main idea: God is _____ and He calls us to be _____.

PART 1: The Story

PART 2: Response & Application

DISCUSSION QUESTIONS:

1. Growth in godliness comes from a deep knowledge of who God is. How can you grow in your knowledge of God this next year? (Ex: books on theology, study on God's attributes, systematic theology, etc)
2. Are you *actually* trusting God completely in every area of your life--your finances, family, relationships, job, future, etc? One test can be evaluating how you *respond* to trials and challenges that come up in each of those areas.
3. How can you grow in your understanding and memorization of God's word this year? (Ex: Bible memory challenges, Bible reading plan, etc)
4. How can you grow in your obedience to everything God has commanded this year? SUGGESTION: Identify one, or two sin areas that seem to be habitual struggles and commit yourself to pray, memorize scripture verses that deal with that area, and ask someone to keep you accountable. (*This kind of accountability happens in our Transformation Groups!*)
5. Spend some time praying for yourself, and your family that God would help you to grow in godliness and faithfulness this year. Ask God to show you areas where He wants you to grow.
