A Compelling Community

Discussion Questions:

1. What did you learn this morning about the importance of LifeGroups here at the Bridge?
2. How can you make your involvement in your LifeGroup more impactful and contribute more towards a healthy LifeGroup?
3. Have you ever been tempted to minimize the value of your LifeGroup or regular attendance Sunday mornings? What sinful ideas do you think led you to those thoughts?
4. What has been the greatest encouragement in your Christian walk that you have received from your LifeGroup?
5. Being involved in each other's lives requires significant time and energy. Are you content with the relationships & level of fellowship in your life? If not, what needs to change to grow in this area?
6. What would be your ideal, modern day reality of what Acts 2:42 should look like today, "They devoted themselves to the apostles' teaching and to fellowship, to the breaking of bread and to prayer."
7. What is one practical thing you could do that would help push your LifeGroup in that direction?
